

FISCAL NOTE

HB 788 - SB 1084

March 23, 2005

SUMMARY OF BILL: Encourages counties not participating in the Imagination Library Program to allow cities, towns, and municipalities located in the county to participate in the program.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact – Due to a fixed appropriation at the state level, allowing more local governments to participate in the program will result in some local governments receiving less funding and some receiving more funding than they would in the absence of this bill. The amount of such a shift will depend on actions taken by local entities.

Assumption:

- The legislation encourages but does not require counties to allow participation in the Imagination Library Program by cities, towns, and municipalities located in such counties.
